With the support of our valued donors, the League continues to have a positive impact on the future of orchestras in America by helping to develop the next generation of leaders, generating and disseminating critical knowledge and information, and advocating for the unique role of the orchestral experience in American life before an ever-widening group of stakeholders.

We gratefully acknowledge the generosity of the following donors who contributed gifts of $600 and above in the last year, as of April 23, 2019.
